Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: On 01/23/2008, the examiner contacted the applicant's representative Mr. Robert Curcio (Reg # 44,638) to discuss the instant application. Specifically, the examiner asked whether he could make an examiner's amendment to the specification in order to make the instant application allowable. Specifically, the examiner stated that a brief description of Figure 5 needed to be inserted in the "Brief Description of the Drawings" section of the specification. Mr. Curcio indicated that he would be fine with the examiner making such an amendment.
